- ① From the Gateway Arterial take the Airport exit and follow the roundabout to the right.
- ② Turn right at the first lights from the East-West Arterial Road onto Nudgee Road.
- ③ Turn right into BAP's driveway. Follow the parking directions to park in our check in bays. Once parked, walk into the reception area to check-in.

We do ask that you allow us an extra 20 minutes of your time prior to needing to be at the airport (that's check in time), that then ensures a smooth and stress free book in and shuttle to the airport
